

Johnson Creek Hardwoods

Saw Mill Services

Sawing

On Shares:

Customer receives 1/2 or more of grade-sawn lumber. No additional charges.
Logs must be high quality and a species we need.

By the Board Foot:

\$.45/BF for grade sawing of 4/4 – 6/4 plain-sawn lumber.

\$10.00 per metal occurrence for re-set and sharpen.

\$40.00 per destroyed blade.

\$50.00/hour for picking up or for preparing logs (oversize etc.)

By the Hour:

\$75.00 per hour for lumber thinner than 4/4 or thicker than 6/4,
including odd shapes, slabs, beams or quarter-sawing.

Drying

Air drying: on a space available basis \$.35/ BF

Kiln Drying \$.45/ BF dried to between 6 – 8% EMC

Planing

Planing: \$.50/ BF to 24" wide. No dirty wood!

Planing slabs \$75.00/hour

Nail or rock damage / \$100.00

Straight-edging: \$45.00/hour

Johnson Creek Hardwoods reserves the right to refuse to saw any log. In the case of multiple nails or metal in a log that is sawn on-shares, we will decide when to quit.
